...and more!

### How does the photo stay in place?

Hidden tabs under the window frame border help keep your photo in place.

### How are these printed?

Dual easel printed frames are digitally printed in CMYK.

Frames available for 4" x 6"  
or 5" x 7" event photos

Printed in **FULL COLOR** on  
smooth white cardstock

Pop-out easels for horizontal  
or vertical display
